long island 8211; especially the eastern half, is really a pretty area

your prior note in early december gives a time frame of 8220;a few months8221;, so i wouldn8217;t be worried about the delay

from the islands, and advertisers would find it hard to be enthusiastic about a worshipper of haile selassie

in other words, its placing a foot on a door already open while the other is on the door opening to him.let8217;s face it ,the american influence has been strong and we are used to it too

all with all the very same outcome, speedy profitable assistance....
